

TourCert Check – Benefits

Your way to the TourCert Check

- Our sustainability guidelines for self-commitment serve as orientation and guidelines for your future entrepreneurial activities.
- We provide you with the e-learning module "Travel for Tomorrow Basic" for acquiring basic knowledge on CSR and sustainability.
- Our simple and clear checklist helps you to self-assess the status quo of sustainability aspects in your company.
- We support and advise you during the entire process by telephone and e-mail.
- We check the fulfilment of the requirements through a TourCert Desk Audit.

After the award

- You will receive a certificate and the TourCert Check symbol for your own marketing activities.
- You will be registered as a member of the TourCert community in the public register on our website.
- We will mention you in our international newsletter, on Facebook and at trade fairs - and you will benefit in terms of reach and awareness of your company.
- If you wish, you can receive the TourCert newsletter on a regular basis.
